Mr. Raymond L. Pilon
Project Manager
U.S. Corps of Engineers
Buffalo District
1776 Niagara Street
Buffalo, New York 14207-3199

Dear Mr. Pilon:

The Environmental Commission would like to thank you for the time you gave us at our September meeting. The Commission feels more informed of the LOOW Site, and better prepared to answer residents' questions when they arise.

We are interested in the Remedial Restoration Advisory Board and if this is formed, the members ask that they be kept in mind and be notified.

Thank You again,

James Allen
Chairman - Environmental Commission
